

Discontent with the health service?

Comments and complaints improve the health service.

You can contact Patient Advisory Committee in Skåne

- For support in lodging complaints with the health service*
- For information about your rights
- For advice on which other government agencies you can contact or file a complaint with.

We are bound by professional secrecy. You can remain anonymous if you prefer.

We do not make any medical assessments and we do not decide if the health service was right or wrong in their actions.
